SITUATION SUMMARY

California Conservation Corps Michigan Disaster Response

The California Conservation Corps is in the process of sending one crew with 13 corps members and one (1) supervisor to Detroit, Michigan. The California Conservation Corps have been requested and approved for a mission assignment by the Corporation for National and Community Service, Disaster Services Unit. The crew will be cleaning out homes that were affected by the floods that occurred in Detroit, Michigan in August. The mission assignment is scheduled to last until 12/20/2014.

PUBLIC HEALTH AND MEDICAL (EF-8) SITUATION REPORT, as of 11/21/14:

- The outbreak of Ebola Virus Disease (EVD) in the West African countries of Guinea and Liberia is no longer increasing nationally, but in Sierra Leone EVD continues to expand. On November 16, 2014, the World Health Organization (WHO) added Mali to the countries with confirmed cases with related deaths. However, EVD still does not pose a significant risk to the United States.
- There are currently no suspected or confirmed cases of the EVD in California. At present, the situational assessment for the risk of EVD infection in California remains very low.
- As of the Situation Report dated November 16, 2014, the WHO has reported a cumulative total of 15,145 cases of EVD and 5,420 deaths

Weather of Concern

- High Wind Warning in effect until 1900 hours this evening for areas in Mono County.
- High Wind Warning in effect until 1600 hours this afternoon for areas in Lassen, Plumas, Sierra Counties.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

SITUATION SUMMARY

Mission Rock Fire, Santa Paula, Ventura County

- On 11/18/14 at 0345 hours, there was a release of approximately 1,000 gallons of an unknown oxidizer from a facility in the unincorporated area of Santa Paula in Ventura County.
- 36 persons were treated and released; the truck driver was hospitalized.
- The incident continues and the focus has switched to initiating cleanup of the facility and evaluation of offsite impacts. Crops and soils are being tested and future mediation is to be determined.
- Samples were taken of the hazardous material and transported to a lab on 11/20/14.

Evacuations

- Per the Ventura County EOC - The mandatory evacuation order remains for 1/2-mile radius around the incident site. There is no estimated time of when the order will be lifted.
- Per Ventura County OES, temporary access was granted to residents and business owners to re-enter and access their property yesterday afternoon from 1400 to 1700 hours.

Road Closures:

- Mission Rock Road is closed to all traffic until further notice

Activations:

- Ventura County EOC has deactivated.
- The Southern REOC remains activated at Level 1

There is no request for assistance or unmet needs.

OF EMERGENCY SERVICES

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

Post frontal showers will diminish today and tonight as the front moves inland and high pressure starts to build. A weak warm front may bring some light rain Monday before dry weather returns through Thanksgiving. Late in the week, additional rain is possible.

San Francisco Weather:

An incoming weather system will spread rain today. Dry weather will return tonight. High pressure will then maintain dry and warmer weather through at least Thanksgiving Day.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

The latest weather systems will bring widespread rain and stronger winds through interior northern California today with minimal snowfall. High pressure will build back in Sunday and much of next week.

Hanford Weather:

The next frontal system brings another round of mainly light precipitation today, mostly from Fresno county north then spreading along valley facing slopes into the south end tonight. Dry and mild conditions are then expected for the next several days with areas of fog in the valley each morning.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

Except for some clouds today and slight chance of showers late this afternoon for San Luis Obispo County, skies will remain mostly clear through next week. Offshore winds will persist through at least mid-week and will allow for warmer than normal temperatures for coast and valleys. Some cooling expected late next week...with a hint of rain for next weekend.

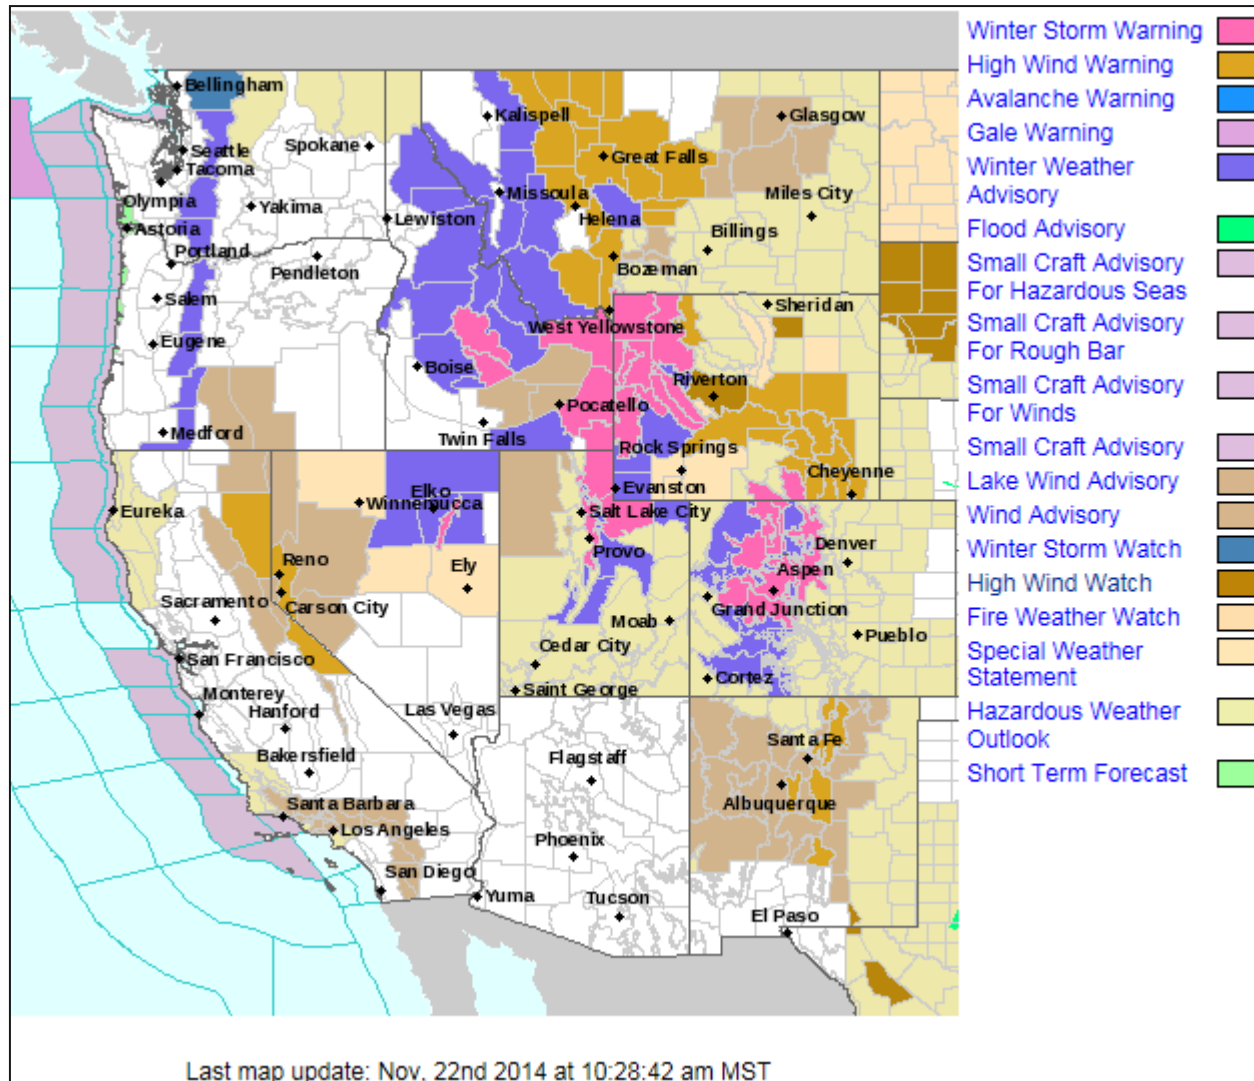

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

A low pressure system moving inland through northern California and the Great Basin will bring gusty west winds to the mountains and deserts this afternoon and evening. Surface high pressure over the Great Basin will bring stronger Santa Ana winds for Sunday afternoon into Monday with the Santa Ana winds slowly decreasing through Thursday. High pressure aloft near the West Coast will bring warming for Monday through Wednesday. Onshore flow is expected to return late in the week bringing cooling.

Southeast California Weather:

A cold front pushing south will cause warm conditions today to give way to cooler and windy conditions Sunday. The strongest winds will occur in the Sierra today and along the Colorado River Valley Sunday. Calmer conditions are expected Monday into at least Thanksgiving Day.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program. The VAL is working with nonprofit organizations on seeking reimbursement.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL continues to work with the Weed LTRG in identifying resources and gaps in services.
- The VAL participated in a meeting with the CA Human Development agency and the Great Northern Services to discuss potential use of drought funding to assist fire survivors with rental and utility payments. Great Northern Services will work with the VAL to identify the need for assistance. If funding is approved, payments will be made directly to the landlord and or utility company. The rental and utility needs of residents affected by the Happy Camp fire will also be captured.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>. Additional information on recovery efforts can be found at <https://weed.recovers.org/>.
- Food donations are being accepted at 310 Boles Street.
- The hazardous tree removal and erosion control processes have begun on properties where a Disposition of Tree Agreement (DTA) has been executed. Work is expected to be completed by 12/31/14.
- Debris removal for all participating properties is complete. Several properties tested higher than allowable for metals. Cal Recycle plans to perform additional scraping of these lots.
- On 10/28/14, the City of Weed reestablished water pressure to its downtown area; however, the water storage capacity for fire suppression is still lacking. The City expects water storage to be restored by 12/31/14, or sooner if the weather permits.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Debris removal is completed on all 134 and 134 sites have met the cleanup goals for the project. The professional tree faller continues to remove large trees that are determined to be a hazard. The majority of the project is estimated to be completed by November 26, 2014, with a small crew returning on the first week of December to finish remaining tasks. A total of 29,651.21 tons of debris was removed (484.82 tons of metal delivered for recycling; 8,210.82 tons of concrete delivered for recycling; and 20,955.57 tons of debris, ash and soil delivered for disposal).

To date:

- 134 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 134 Sites documented.
- 134 Asbestos surveys completed.
- 65 Sites with asbestos containing material.
- 65 Sites cleared of asbestos containing material.
- 134 Debris removal completed.
- 134 Sites sampled.
- 126 Sample results approved.
- 122 Sites with erosion control completed.
- 122 Sites approved by City of Weed as ready for a building permit.

Cal OES Deployments

- One (1) Cal OES Recovery staff is assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

- Cal OES and FEMA announced that the Major Disaster declaration for the South Napa earthquake will also include the Individuals and Households Program under the Stafford Act. This amendment makes assistance available to help homeowners and renters recover from the earthquake.
- Low-interest federal disaster loans are now available to California residents and business owners as a result of President Obama's major disaster declaration. The declaration covers Napa and Solano counties as a result of the South Napa Earthquake and aftershocks that occurred August 24 – September 7, 2014.

Recovery Activities

- The deadline for Cal OES to submit the Request for Public Assistance of potential applicants to be considered for reimbursement for this event ended, 10/24/14. Sixty-one (61) RPAs have been received and nine (9) have withdrawn for a total of fifty-two (52) RPAs submitted to FEMA. Thirty-seven (37) Kickoff Meetings have been completed and five (5) kick-off meetings have been scheduled for this week and next week. There are six (6) kickoff meetings yet to be scheduled for PNPs that have now been approved. It is currently scheduled that all kickoff meetings will be complete by 11/21/2014.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. The Vallejo Earthquake Recovery Group (VERG), a long term recovery group, has formed and has established by-laws and elected an Executive Board. United Methodist Committee on Relief (UMCOR) will provide case management training to local organizations. A representative from the Solano Community Action Partnership will contact individuals who visited the Solano Information Center to notify them of the opening of the Disaster Recovery Center (DRC).
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). On October 29, 2014, FEMA and SBA provided representatives in the Napa LAC. On October 30, 2014, the Disaster Recovery Center in the City of Vallejo opened. The LAC and DRC are open until further notice. The operational hours for both centers are Monday – Friday 9 AM to 6 PM; Saturdays 9 AM to 4 PM; Sundays closed; In addition, both centers will be closed on November 27, 2014, and November 28, 2014, in observation of Thanksgiving.
- The California Small Business Development Centers (SBDCs) have partnered with SBA and are providing services at no charge to assist small businesses impacted by the disaster with financial counseling, management and technical assistance, business planning, reconstructing damaged or destroyed business records, rewriting business plans, etc.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC, Inland, Coastal, Southern REOCs and the Santa Barbara County EOC are activated in support of the Drought State of Emergency Monday and continue to monitor the situation.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
